Embark on the Ultimate Bears & Belugas Summer Adventure

Imagine a place where the summer sun glistens on the backs of 60,000 beluga whales as they playfully navigate the Hudson Bay, and majestic polar bears roam freely in their natural habitat. Welcome to Churchill, the heart of the Arctic summer, where your five-day journey to encounter the wild's most extraordinary creatures begins.

Where the Wild Things Are

Under the guidance of seasoned experts, you'll venture into enchanting locales where wildlife thrives. Witness the splendor of polar bears in their summertime bliss, diving into the waters, ambling amongst rocks and wildflowers, and lounging under the Arctic sun. Each sighting is a chance to behold these magnificent animals as they delight in the warmth before the ice returns.

Sailing with the Gentle Giants

Step aboard the Matonabee, our state-of-the-art, Transport Canada-certified vessel, and set sail into the west side of Hudson Bay, a summer sanctuary for polar bears. Here, you stand the best chance of encountering them as they enjoy the Arctic summer. If fortune favors us with good weather and calm wildlife, we'll tread softly on the same ground as the bears, an exhilarating experience that brings you close to these iconic symbols of the wild.

As you traverse the shoreline, marvel at the ballet of belugas in the Churchill River. On our Beluga Whale Boat/Fort Tour, prepare to be enchanted by these sociable creatures amid their natural feeding grounds. Enhance your adventure with optional activities like Beluga AquaGliding™ or kayaking to elevate your communion with nature.

Tundra and Twilight Delights

The journey continues on, and with our summer Tundra Tour. Traverse the vast landscape in our Arctic Crawlers™, the same rugged vehicles that make our fall tours a thrill. And when the day winds down, a sumptuous supper awaits. As dusk falls, keep your eyes peeled skyward—on clear nights, the mesmerizing dance of the Northern Lights may grace the heavens.

A Journey Through Time

Delve into the annals of the North with the Churchill Heritage Tour. Uncover the layers of history as we explore significant sites like Cape Merry, the storied remains of 'Miss Piggy' aircraft, and more. Each landmark tells a tale of Churchill's storied past, contributing to the tapestry that makes this region unique.
